

# The Ideal Virtual Facilitator

## 1 Adopts a Modern Mindset

Facilitates more than presents

Engages learners through dialogue and discussion

Encourages conversation and collaboration among learners

## 2 Uses an Updated Toolset

Has clear audio and appears professionally on video

Uses all platform tools easily and seamlessly

Partners well with producers and co-facilitators

## 3 Has a Relevant Skillset

Opens with immediate interaction

Asks directed questions to share airtime

Ensures job transfer and application
